

Who are we? We are a team of parents of individuals with special needs, self advocates, community members and professionals who work together to make a difference in our community for people with disabilities and special health care needs. . At Tri City Partnership we get families talking to agencies...agencies talking to agencies... and families talking to families, because together we can make a difference!

Can anyone join? Yes, we welcome all who are interested in promoting the quality of life for individuals with special needs. There are no dues or fees, bring a sack lunch and join us the last Thursday of each month.

What We Do: We develop programs, address issues and identify resources in the tri city area. We meet each month to network, and discuss what is going on in our community and how we can make it better. We publish a monthly newsletter, getting information over 400 families and agencies on what is happening in the community for individuals with special needs.

Our next meeting is April 26th, 12-2 at the Step One Community Center, 3343 N Windsong Dr, in Prescott Valley. Please join us as we continue brainstorming and developing our special projects. We have a lot of ways you can get Involved. Together, we really can make a difference in our community.

How do I find out More? Visit our website www.tricitypartnership.org To receive a copy of our newsletter by mail and/or timely e-mails we forward, with pertinent information from agencies on upcoming programs, events and items of interest, please call 772-5048 or e-mail us at tricitypartners@cableone.net
